Self Introduction

Travel with a local tourist escort, experience the most authentic island culture! You will find a rich culture brought to the islands by the ocean currents, alongside stunning natural landscapes. If you are interested in enjoying classic "Japan" like freshly caught sashimi or kagura dance, discovering the uniqueness of World Heritage or Japan Heritage, and exploring the fantastic local things in only one city, please feel free to contact me for your customized tourist guidance. "Chan-ko-ko Dance," geo park, and uninhabited island are also on the list! As a Taiwanese, I can also guide you in Mandarin, Taiwanese, Japanese and, of course, English! Please do get in touch to discuss your customized tourist guidance, and enjoy your own amazing Kyushu trip!
