## Self Introduction

There are so many hidden gems in Taketa and Aso-Kuju waiting to be found. I believe that "what is essential is invisible to the eye." I love sharing the beauty of this town—the crystal-clear spring water, the seasonal breeze, and the warm hearts of the local people. With my camera and a love for art, I enjoy finding the small, beautiful details that often go unnoticed. I will cherish every moment to make this a truly special time, just for you. Let's catch the "unseen" magic together here!
