Self Introduction

Hi, I'm Nami! I want to share the charm of Fukuoka not only through its famous sightseeing spots, but also through its food and local atmosphere. I love cooking and exploring restaurants, and one of my strengths is finding places where visitors can enjoy food that feels truly local. I also enjoy sharing simple ways to enjoy local dishes, so people can experience Fukuoka more deeply. I have practiced Japanese calligraphy for many years, and it is also an important part of who I am. Through both food and culture, I hope to create a friendly, memorable, and enjoyable experience for visitors, especially those who are visiting Fukuoka for the first time.
