Self Introduction

I'm SHU, a proud native and lifelong lover of my hometown, YAME.

As an enthusiast of Yame tea - from the rich Umami of Gyokuro to our vibrant Sencha and Matcha - I believe our tea offers an exquisite flavor that captivates the world.

But Yame is more than just tea. It's a place of breathtaking, photogenic nature that will leave you spellbound. It's the taste of rustic local cuisine and craft sake that evokes the soul of 'Old Japan.' Most of all, it's the people - the warm, smiling locals you'll want to come back and visit again and again. It is my passion to share these wonders with you. I am here to welcome you and guide you through an experience in Yame that you will never forget.
